Spring term — 2022

*Growing together through learning, friendship, and worship*

Week 10

We are excited to be relaunching the parent forum during the summer term. This time, to ensure that everyone who would like a voice has one, we will hold open meetings for all parents, carers and stakeholders to attend if they wish to.

**Please look out for our survey this coming week** that will identify the topic for the first meeting.

Before the first meeting we will share the terms of reference for the forum meetings and also an agenda.

The initial plan is that each meeting will be proceeded by a questionnaire and then during the meeting we will share our latest news and successes followed by the identified topic for discussion and finally the date of the next questionnaire and meeting.

The aim is that school and parents and carers have the opportunity to work in partnership to ensure that our community continues to develop and thrive. We value your input and ideas.

**Please look out for the meeting date and details of how to join the meeting in the newsletter after the Easter break.**
