## URBAN SAFARI - ANIMAL EXPERIENCE

When participating in the Urban Safari activities, I recognise that there are hazards with the handling of animals and that although these animals are handled regularly, they can be unpredictable. These include, but are not limited to bites, stings, scratches, grazes, bruises, bacterial infections, venom, and allergies.

I will ensure that my child is wearing the appropriate clothing as stated prior to the event. I recognise that if my child is not wearing long sleeved top and trousers he/she is participating at a significantly higher risk of injury from animals. *An accident book is available and any injury to a participant must be notified to the operator, recorded in it and signed by the injured person or their representative.*

I confirm and agree that my child will obey all reasonable requests from the staff.
