

Swans - Week 8 Activities – 1st to 5th June

Just a reminder – when you complete a 2do on Purple Mash, please select 'Hand in' when you submit it.

English

Read a chosen book for 15 minutes (or more!)

<https://www.thenational.academy/online-classroom/year-4/english#subjects>

This week I'd like you to work through the lessons on *News Reporting*. Scroll down the page until you get to 'Genre Focus: News Report'. It is split into 5 days – and each day starts with a video and quiz. Work through the activities.

On day 5 you are expected to write a news report about Violet.

Independent Activity

Your task is to turn the extract on Violet Beauregarde into a news report:

Structure

Write in 3rd person.
First paragraph - 5 W's (Who, What, Where, When, Why)
Second paragraph - Mr Wonka and his views
Third / fourth paragraph - Other eye witness accounts
Last paragraph - Parent quotes.

Don't forget to think about:

- *Headline, captions, columns*
- *Formal register*
- *Emotive language*
- *Expanded noun phrases to add detail*
- *Adverbs*
- *Correct use of inverted commas for quotes*

Instead of writing it on paper I want you to write it on Purple Mash – there is a newspaper 2do set

for you.

Spelling

Monday to Thursday: Practice the spellings throughout the week on the Look, say, cover, write, check sheet, write some of them into sentences in home learning book. Do every day.

Friday: *Purple Mash (Y3/Y4 Sum2 WK1 – Quiz)*

2Dos

Maths

Use White Rose for your video of what to do each day. White Rose Home Learning:

<https://whiterosemaths.com/homelearning/year-4/>

We will be on **week 6**

We did some work on fractions in class before the lockdown so most of this will be recapping and consolidating learning.

The worksheets are on the school website

Mon: Add 2 or more fractions

Tue: Subtract 2 fractions

Wed: Fractions of quantities

Thur: Calculate quantities

Fri: Challenge on white rose if available – (if not revise the learning you have done this week. Can you explain the weeks learning to someone else?)

White Rose is now working with BBCBitesize (<https://www.bbc.co.uk/bitesize/tags/z63tt39/year-4-and-p5-lessons/1>), where you will find additional videos and the worksheets are now on our school website.

In addition, the children could do 15 minutes of their favourite platform for times tables: TimesTableRockStars, SumDog or they could try:

<https://www.topmarks.co.uk/maths-games/hit-the-button> or www.timestables.co.uk

Additional Practice Materials

Maths with Parents. If you haven't signed up yet follow the pdf 'Maths with Parents – how to sign up'

Look at:

*improper fractions

Watch the video and then choose one of the activities below to complete.

Science Investigations

Monday – Wednesday:

Monday: Investigate dissolving. Which things dissolve? Take some pictures and add them to our blog.

Tuesday: Create a rainbow – in a glass! Take a look at the Fun with Density sheet

Wednesday: Find out about Brunel. Take a look at the Science at Work Sheet. Can you find out more and add it to our blog?

Thursday and Friday:

Check out the Musical Science investigations. Can you make something for your garden?

PE

Monday to Friday (Days 26 - 30)

Complete one of the PE challenges each day or exercise with Joe Wickes:

<https://www.thebodycoach.com/blog/pe-with-joe-1254.html>

RE

Have a look at the faith at home materials from the National Academy:

<https://www.thenational.academy/extracurricular/faith-at-home>

Our JAM team have also sent these links:
