## Ducklings

Every child will be having their first consultation soon, if they haven't already, this will happen when it is their turn as the focus child. Please see Mrs Day if you are unable to access the app 'Evidence Me' to see your child's learning journey when it is their focus week. Parents will be able to arrange a meeting before or after school with Mrs Day when their child is a focus child for the week.

This half term  
our value is

**Justice**

We have been using the rackets, beanbags and rubber discs to improve our skills and we were also pretending we were pancake flipping.

Many children have been highly involved in different Chinese New Year activities

Some children have been helping to plant seeds ready to be planted outside in the warmer months.

## OUR LEARNING

The children had lots of fun making patterns in the flour and also writing some letters from their names.

Last half term has been a very busy term for our class.

We have been planting many flowers, bulbs and vegetable seeds and also looking at the bugs and insects around our environment. The children have been looking for worms and how to carefully move them to a safe place.

We have been reading Bob the Man in the Moon. The children have been pretending to walk on the moon very slowly and we also had rocket races.

Finally we have also been celebrating Chinese New Year by dancing to traditional Chinese music and creating Chinese lanterns and Chinese dancing dragons.
