

# Important Dates

- Thursday 5th March—World Book Day
- Friday 13th March —EY-KS1 School Disco
- Friday 20th March —Celebrate World Poetry Day
- Friday 3rd April—Golden Coin Mufti Day & Last Day of Term

There will be a 'drop in session' on alternate Wednesdays. It will commence the week beginning 24th February from 9:00 am until 9:15; this is a time for you to catch up with us, and discuss any concerns. Mr Allcorn is usually available during pick up time for a quick chat. Alternatively please contact the office to book an appointment.

Many thanks,

Mr Allcorn and the Reception team.

# Doves

Every child has had their first consultation and we are now arranging your child's second consultation when it is their turn as the focus child. As previously mentioned, please see Mr Allcorn if you are unable to access the app 'Evidence Me' to see your child's learning journey. Like the previous term, parents will be able to arrange a meeting with Mr Allcorn when their child is a focus child for the week.

This half term  
our value is

**Justice**

Last half term we have been enjoying gymnastics and learning how to travel safely on and off different apparatus.

*On a Wednesday morning Mrs Pottruff will be teaching and on a Wednesday afternoon Mrs Lawes will be teaching.*

Many children have been highly involved in different Chinese New Year activities

## OUR LEARNING

Last half term has been a very busy term for our class. We have extended our garden area and have been planting many fruit and vegetable seeds inside the classroom. We have been talking about months and seasons and are now waiting to plant our seedlings outside when the warmer weather arrives. We have also created a small pond for the wildlife in our garden area. Mrs Marshall has kindly brought in pond plants from her garden to help attract different wildlife.

Last half term has seen us enjoy the story book "How to Catch a Star". As a class we have been participating in lots of discussions about the story and if the boy called really did catch a star from the sky.

Finally we have also been celebrating Chinese New Year by cooking and eating different regional cuisines, dancing to traditional Chinese music and exploring different Chinese symbols.

Bonnie helping to repot the seedlings ready to be planted outside in the warmer months.
