NSPCC assemblies and workshops feedback

We received this lovely feedback from the NSPCC staff who came into school: "I just wanted to let you know what a lovely time we had at Great Barford Academy yesterday. Everyone was so welcoming to us, we were looked after really well by all the members of staff, the family liaison officer, the receptionist and the head teacher. The children were an absolute joy to work with, fully engaged in what we were talking about and offering up really insightful, mature ideas. They clearly already had a very good sense about how to keep themselves safe and had also taken on board messages from the assembly which they demonstrated in the workshops. It was such a lovely way to spend an afternoon, I think the whole school community should be very proud of their fabulous children!"
