'Some'

When listing food and drink in French you must always put the word 'some' in front of each item. The word 'some' depends on whether the item is masculine, feminine or plural.

Masculine	le fromage	du fromage
Feminine	la salade verte	de la salade verte
Plural	les frites	des frites
Vowel / h	l'eau	de l'eau

Pour exemple:

Pour le déjeuner, je mange du jambon avec des frites et de la salade verte et je bois de l'eau.

For Lunch, I eat ham with some chips and some green salad and I drink some water.
