'Keeping safe in school'

Week beginning Monday 28th October

As part of our PSHE curriculum and developing children's well-being we will be having a week of activities related to how we keep safe in school. We will look at what it means to feel safe; how the children are kept safe in school; managing friendships and anti-bullying; and road safety. KS2 will have a storyteller with a focus on anti-bullying. KS1 will hopefully have a visit from the local police officer.

Thank you

Thank you for all the food sent in for the Bedford Foodbank. It was very gratefully received.

Professor Bubbleworks

Professor Bubbleworks came to visit the school. This was a visit paid for by the Friends and was an opportunity for the children to explore science in a new way. The children investigated how matter can be manipulated through chemical reactions and wind power. Toilet paper and rockets flew across the gym and playground! The children all said how much they enjoyed the day.

Life of Jesus exhibition

Year 3 & 4 enjoyed an exhibition about 'The Life of Jesus' brought into school by Andy Little and his team. The children heard the story of blind Bartimaeus and how Jesus restored his sight as well as stories from centurians, highpriests and Jesus' followers the disciples. They then had the chance to explore a little more for themselves by completing a quiz.
