There will be workshops for both KS1 and KS2. There will be activities for the children to complete at home too, and parents will be informed of the activities to be completed.

Inclement Weather

If it is necessary to close the school due to inclement weather, we will send a text message, put an announcement on the website and ask Friends if they will put it on their Facebook page.

Our Value this half term is Perseverance

Perseverance is not giving up. It is persistence and tenacity, the effort required to do something and keep doing it till the end, even if it's hard.

Perseverance originally comes from the Latin perseverantia and means to abide by something strictly.
