

Swans - Activities – 6th July to 10th July

This week is GBPA sports week. Have a go at the activities each day and share them with me on the blog. Maybe you can social distance meet with a class friend and challenge each other...or send me your score on the blog!

Just a reminder – when you complete a 2do on Purple Mash, please select 'Hand in' when you submit it.

English

Read a chosen book for 15 minutes (or more!)

Spelling

Monday to Thursday: Practice the spellings throughout the week on the Look, say, cover, write, check sheet, write some of them into sentences in home learning book. Do every day.

Friday: Purple Mash (Y3/Y4 Sum2 WK6 – Quiz)

This is a recap week

Writing

<https://classroom.thenational.academy/subjects-by-year/year-4/subjects/english>

[Please scroll down until you find writing instructions](#)

The focus this week is on **writing instructions**. You are going to write a set of instructions to capture a creature. Work through the activities. You will write your instructions in the same way you write a 'recipe', step by step. I have set this as a 2do. You can choose to do it on the 'recipe' sheet or on the leaflet – which ever you find easiest.

Maths

This week we are going to be looking at angles. This can be good fun, when you start looking around for angles you'll see they are everywhere!

<https://whiterosemaths.com/homelearning/year-4/>

Monday - Identify angles

Tuesday - Compare and order angles

Wednesday - Triangles

Thursday – Quadrilaterals

Friday: Challenge – see the White Rose website <https://whiterosemaths.com/homelearning/year-4/>

White Rose is now working with BBCBitesize (<https://www.bbc.co.uk/bitesize/tags/z63tt39/year-4-and-p5-lessons/1>), where you will find additional videos and the worksheets are now on our school website. Also, lots of you have been carrying out tasks on 'Maths with Parents' and it's great to see the photographs. Keep checking each week for a new activity.

Don't forget to log in to 'Sumdog' – you've all got your log in details (or contact the school if you've forgotten them). You can earn lots of coins! There is a competition running this week.

Topic

Day 1: Research life for children in Roman times. Take notes. Here are some sites to get you started.

<https://www.bbc.co.uk/teach/class-clips-video/children-in-roman-britain/zkdy47h> - a nice film from the BBC

<https://rome.mrdonn.org/children.html>

<https://www.historyforkids.net/ancient-rome/daily-life/roman-children.html/>

https://www.bookunitsteacher.com/ancient_rome/children.htm

Day 2 & 3: Armour DT project

Look at the Awesome Armour Project Activity Booklet

In year 3 you designed Roman Shields. Using the activity pack I want you to design and make a cassis (helmet) and some body armour. This week I want you to focus on the **body armour**. If you finish, take a photograph of your cassis and armour and upload to the website.

Don't worry if you don't have the resources to make your design – it is the thinking and planning that is important.

Day 4 & 5: Roman Colouring Sheets.

Day 4: Colour the boy and write what you found out about life for Roman boys all around it.

Day 5: Colour the girl and write what you found out about life for Roman girls all around it.

You could continue reading the book linked to our topic check out the 'History Hackers' – a book written by Twinkl for you to read at home.

Here are some additional activities you **may** want to try.

French

Try another French activity on Purple Mash

Science

Have a go at making rockets and paper flowers!
