

Important Dates

- Saturday 23rd June Open Morning new site.
- Wednesday 4th July Shuffle up morning
- Saturday 7th July Summer Fete.
- Wednesday 11th July Jordan's Close trip. A letter to follow with further information. If you are available to lend a hand please let Mrs Baigent know.
- Please remember to share your child's home achievements through the value pebbles.
- Show and tell - please bring anything related to our topic.

We are looking forward to a fun filled last half term.

Mrs Baigent and the Foundation Stage staff

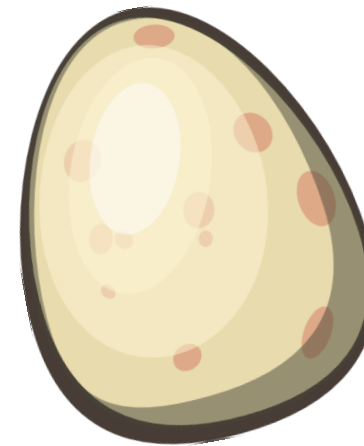

Wrens

Welcome back to a new half term. I can not believe that we have only got 7 weeks left-how time flies! It has been lovely writing the children's reports and reflecting upon all of the exciting topics that we have done already this year. We promise to make the children's last half term in Robins a fun filled and action packed one.

Out of the Egg

Understanding of the world

We will continue to discuss and explore life cycles of living things. We will observe at changes over time and find out about animals that hatch from eggs.

Construction and Expressive Art & Design

We will use a variety of materials to create our fossils and pet dinosaur.
We will use the instruments to create our own dinosaur sounds.

Maths

We will be exploring maths in our environment looking for patterns, 2d and 3d shapes. We will create potions measuring capacity of containers.

Literacy

We will create our own dragons describing them and telling stories.

In Phonics, we will recap sounds learnt this year "s,n,m,l,f,r, a,i,e,o,u". We will continue to blend two and three sound making nonsense and real words e.g as, an, am, al, af.

Personal, Social & Emotional Development

We will discuss our feelings and explore the school environment. Linked to the story we will discuss our own behaviour and its consequences.

Physical Development

We will continue to focus on team games competing and encouraging each other to reach our full potential. Please could your child have a PE kit in daily. Weather permitted we will be outside!

Don't forget to tell us your achievements at home and fill in your pebbles. We will share these during show and tell.

Help Needed!

Get involved

If you would like to get involved in the school community by volunteering, we appreciate help with any of the following; trips, swimming, readers, cooking, gardening or arts and crafts. For more information please speak to one of the school office.
