

Subject: PE clothing reminder

Date sent: 6th October 2020, 12:04pm

Great Barford C of E Primary Academy

As the weather is getting colder and we are likely to be doing PE sessions outside and we would like to remind parents and carers about the requirements of PE clothing.

- Our PE kit is: coloured team t-shirt and black shorts.
- Please supply your child with warm clothing for outdoor PE: tracksuit or jogging bottoms and a sweatshirt (as logo free as possible!) would be ideal.
- No hoodies please as these are not safe for PE; things get caught in the hoods or hoods could be grabbed in game situations.
- Suitable footwear, ideally trainers for outside PE, and a plastic bag to put them into afterwards.
- Long hair for girls or boys must be tied back for safety.
- Ear rings and watches must be removed, if your child cannot remove ear rings on their own, please remove them on your child's class PE days.
- PE Kit is to come into school on Monday and go home for cleaning on Friday
- You can find your child's class PE days on the Autumn term Curriculum Letter in the class pages

Thank you for supporting us in making sure your child is suitably and safely dressed for PE.
