

Subject: Y3 - VIPERS Questionnaire

Date sent: 27th April 2020, 1:46pm

Great Barford C of E Primary Academy

Dear parents and carers of KS2,

As you are aware we started a new Guided Reading scheme this academic year called VIPERS. Children have been engaging well in lessons and have been introduced to a wider range of texts. Teachers have been working hard to embed this into our curriculum and working on their own continued professional development.

I have been undertaking the implementation of the scheme in school, further research and monitoring its impact on children's learning. Therefore, we would really appreciate feedback from the children in years 3-6.

We have 10 questions for all children to answer via Survey Monkey which should take approximately 5 minutes. If you could help your child complete the questionnaire by Thursday 7th May, it would be very much appreciated. It is all anonymous and would hope the children can be as honest as they can. Please click on the link below and complete the questionnaire.

Year 3
