

Home Learning for Year 5 Kestrels

Week beg: 13th July 2020

LAST WEEK OF TERM – SUMMER!!

I haven't given you too much this week, enjoy your last week of term. Watch a movie, read a book, have an end of term family party, have a water fight... do the fun things we normally would during our last week ☺

Week 14: Day 1 – Monday

Reading:

Reading comprehension activity: 'Little things'!

Spellings – Year 5/6 spelling list:

10 minutes a day on Spelling Frame

Spelling Rule 49 - Homophones and other words that are often confused (2 of 5)

Maths:

Times table rock stars/sumdog/prodigy x 15 minutes daily

White Rose Home learning, Summer Term week 12, lesson 1. Activities saved in folder. Watch short video link from the white rose links in the folder.

Writing//project –

This week your project is to make a powerpoint/poster/information leaflet about a research topic of your choice.

It could be about something you want to know more about e.g. animals, global warming, a book, a famous person, cars, fashion, artists... just anything that interest you that you want to find out more about. Use the internet safely to help find information about your chosen topic. Record and present your topic any way you wish.

Week 14 - Day 2 – Tuesday

Reading:

Choose one of your favourite books and enjoy having a good read on the sofa!

Maths:

Times table rock stars/sumdog/prodigy x 15 minutes daily

White Rose Home learning, Summer Term week 11, lesson 2. Watch short video then complete activity. Watch short video link from the white rose links in the folder.
