### ***Our Value this half term is Compassion***

Compassion is about standing in someone else's shoes when they are having a hard time. In other words, trying to understand how they might be feeling and doing our best to help.

At home....

Please talk about:

- ◆ How we can show compassion and kindness to one another at home.
- ◆ Recognising when friends need us to listen and act with compassion.
- ◆ Stories in the news demonstrating how strangers show compassion in times of natural disasters.

*"No act of kindness, no matter how small, is ever wasted."*

We have had a fantastic week back in school with everyone back on the same site.

Our EYFS and KS1 children have settled beautifully and have adjusted really well.

Our KS2 children have been a great help and it's lovely to be together as one big family again.

## Scooters and Bikes

Just a reminder that bikes and scooters must not be ridden down the school drive or anywhere else on the school premises. There is a high volume of pedestrian traffic at the beginning and end of the day and it is just not safe. Following polite reminders over the last half-term a number of children have now been given a verbal warning that if they continue to ride down the path they will have a one day scooter or bike ban. It would be greatly appreciated if you support us with this safety initiative and remind the children about this issue.
