

# ALL ABOUT ME JARS

I am very excited to get to know you all even better in year 5. I thought we could make a start here. Summer task: To make an 'all about me jar'. You can decorate your jar on the outside and fill it with things about you on the inside. If you have a favourite book you can put in clue to the book e.g. Harry Potter – a lightning bolt. After the summer, bring in your jar with you name on the bottom and we play games with the jars. If you find this difficult, don't worry – use the template below to fill in thing about you!
