

## **Swans - Week 7 Activities – 18<sup>th</sup> to 22<sup>nd</sup> May**

*This would be national walk to school week. How about going for a walk and drawing a map of your route instead? You could take photographs as you go and add these to your map.*

Just a reminder – when you complete a 2do on Purple Mash, please select ‘Hand in’ when you submit it.

### **English**

Read a chosen book for 15 minutes (or more!)

<https://www.thenational.academy/online-classroom/year-4/english#subjects>

This week I’d like you to work through the lessons on *Poetry*. Scroll down the page until you get to ‘Genre Focus: Poetry’. It is split into 5 days – and each day starts with a video and quiz. Work through the activities. Share your poem on the blog.

### **Spelling**

**Monday to Thursday:** Practice the spellings throughout the week on the Look, say, cover, write, check sheet, write some of them into sentences in home learning book. Do every day.

**Friday:** *Purple Mash (Y3/Y4 Sum1 WK5 – Quiz)*

### **Maths**

Use White Rose for your video of what to do today. White Rose Home Learning:

<https://whiterosemaths.com/homelearning/year-4/>

White Rose is now working with BBCBitesize (<https://www.bbc.co.uk/bitesize/tags/z63tt39/year-4-and-p5-lessons/1>), where you will find additional videos and the worksheets are now on our school website. Complete activities for Summer 5.

If you are confident with day 1 you could try: <https://vimeo.com/418154269> and use the alternative day 1 sheet

In addition, the children could do 15 minutes of their favourite platform for times tables: TimesTableRockStars, SumDog or they could try:

<https://www.topmarks.co.uk/maths-games/hit-the-button> or [www.timestables.co.uk](http://www.timestables.co.uk)

### **Additional Practice Materials**

**Maths with Parents.** If you haven’t signed up yet follow the pdf ‘Maths with Parents – how to sign up’

Look at:

\*Understanding the 24 hour clock

Watch the video and then choose one of the activities below to complete.

## **Science Investigations**

### **Monday – Wednesday:**

Investigate camouflage – a good general resource is:

<https://www.dkfindout.com/uk/search/camouflage/>

Monday: Watch the video: <https://www.youtube.com/watch?v=YOIRci0CKzg> and make some notes about why animals use camouflage.

Tuesday: Find out about Mimicry – watch: <https://www.youtube.com/watch?v=YOIRci0CKzg> and make some notes about why they do this.

Wednesday: Look at the Clever Camouflaged Creatures sheet – complete the investigation in different rooms of your house – or even the garden.

You could put your information about camouflaged animals into a leaflet. Remember, you can save some images from the internet onto your computer to upload to your leaflet, as well as the clip art – just remember to cite your source (say where the picture came from). Use the leaflet 2do.

### **Thursday and Friday:**

Try out the two science investigations – you should have all the ingredients around your home.

\*Lava Lamp

\*Fireworks in a glass

## **PE**

### **Monday to Friday (Days 21 - 25)**

Complete one of the PE challenges each day or exercise with Joe Wickes:

<https://www.thebodycoach.com/blog/pe-with-joe-1254.html>
