

Great Barford C of E Primary Academy

Growing together through learning, friendship and worship

Newsletter 15, 26th January

A big thank you to friends for funding the Maths Revolution day last week. The children were truly inspired and used their teamwork skills to solve some really challenging problems. It was a fantastic day.

Well done to our Year 6 Falcons who completed their first aid training this week. It is a really important skill and the class worked hard and were extremely responsible throughout.
Well done!

Apologies for the postponement of the SEND parent forum meeting this week. We had a complete IT system failure on Tuesday and, as Mrs Browning had a presentation we felt, that do the subject justice, we should rearrange the date. An email confirming the new date will be sent next week.

Well done to all the winners of the Diddle's day design a jumper competition.

There were some absolutely fantastic designs and the ones with the dog biscuits attached were absolute genius!

The winners will have the opportunity to take Diddles for a walk around the field when she next visits.
