Good bye and Good luck

We say a fond farewell to 5 members of staff this year. Miss A Collins is off to Lincoln University to study nursing; Miss T Smith, Miss C Smith &

Mr Cowling all joined us for a year, working in Y6 and are off to pastures new; and Cole Chirico who has kept our school building clean for the last few years is off to become a brick layer.

We wish them all the very best in their new adventures and thank them for their hard work. They will be missed.

Y6 Residential to Bawdsey Manor

A very special 'Well done' to the Y6 children who attended the PGL residential to Bawdsey Manor last week. They had an amazing time and were a credit to our school. These visits are excellent learning experiences for the children where they can not only develop new skills and try out new activities, but they also become more confident and organised as they take more responsibility for themselves. It was wonderful to see all the children rise to the challenges set and take responsibility for themselves over the week. Thank you also to Mrs Barrows, Miss Goldsmith and Mrs Collins for taking the children and looking after them for the week.
