Spring term — 2022

*Growing together through learning, friendship, and worship*

Week 10

## Y6 visit to St Albans

Following on from their exploration of the theme 'Salvation', the children from Year 6 visited St Alban's Cathedral earlier this week to spend some time thinking about Easter. They were led by staff from the Cathedral in making Easter-motif themed clay tiles and then followed a trail around the building which told the Easter story, with its links to salvation.

The children were praised for their mature and sensible behaviour in a place of worship and also for asking searching questions and responding thoughtfully - well done to all; we are very proud of you!
