## **Y6 SATs Information Meeting**

Dear Parent/Carer,

As you will be aware, this is an important year for your child as he/she prepares to move on to secondary school. Part of this preparation includes National Curriculum Tests (SATs) which will help to assess their knowledge and learning so far.

**These tests will take place during the week beginning Monday 11<sup>th</sup> May. Please ensure that family holidays are not taken during this time.**

There have been many changes to the assessment system over the past few years. The tests in English and Maths reflect the new national curriculum, and are intended to be more rigorous. Results are published using a new system which replaces the old national curriculum levels.

We would like to invite you to attend a short meeting which will help to explain these tests and the changes in more detail.

**The meeting will be held on Tuesday 4<sup>th</sup> February 2020 at 6.30pm**

We will have a selection of revision books which you may like to share with your child; you can pay for these via bank transfer to the school and they will be sent home with your child.

We will also take the opportunity to inform you of our approaching PSHCE sessions which will cover conception to birth.

Please complete the reply slip below if you will be attending this meeting.

Yours sincerely,  
Mrs C Barrows  
Head of Key Stage 2
