## Great Barford C of E Primary Academy

Dear All,

I hope that you are all keeping well and the start to the summer term has been a smooth one for you, if rather different to the normal ones.

We are continuing to make home schooling as straight forward and pain free as possible for you and your children. Staff are currently reviewing some new resources that we hope to introduce in next weeks planning.

In the meantime I would like to direct you to the BBC's Daily Bitesize link:

<https://www.bbc.co.uk/bitesize/dailylessons>

There are lots of sessions for you and your children to dip into that might make a good alternative if your children need a bit of a change or if you need some additional resources to keep your little rascals busy!

Have a look. They are good and I know the children will find them engaging. You may also find them forming part of our planned work in future weeks.

Take care and I will be in touch again soon.

Kind regards,

Sarah Evans  
Headteacher
