

Friday 22nd January 2021 RE: Jesus recruits his disciples

Why do you think Jesus thought the men in the sea were good workers?

What types of people do you think the men were?

What did he ask the men to help him with?

Why did the men think Jesus was so special?

What did the men leave behind so they could follow Jesus?

Think about 3 things that are most important to you. What are they?

How

would you feel to leave those things behind?
