Wednesday	Open the book KS1 KS1 Drop in
Thursday	Normal day in school
Friday	Normal day in school

Well-being club

A big thank you to The Friends for donating £100 towards resources Donna Gower's Well-being Club.

Children's Mental Health Week

As a school we are taking part in Children's Mental Health Week which runs from
Monday 3rd Feb - Sunday 9th Feb
The theme for this year is
'Find your Brave'

Bravery comes in all shapes and sizes and is different for everyone. Bravery can be about trying something new or pushing yourself outside of your comfort zone, but it can also be sharing worries and asking for help.

Through our activities relating to 'Finding your brave' we hope to encourage the children build their confidence, self-esteem and make them feel good about themselves.

KS2 Intra-school Archery Competition

On Thursday, Paul Blunt led our Key Stage 2 intra-school competition through Archery. The children enjoyed learning a new activity, working together to score more than the other teams. Every child was actively engaged and some showed a natural talent for archery. We look forward to the KS1 intra-school competition later this year.

Stars of the week

For the week ending 17th Jan

Owls: Olivia & Tommy
Penguins: Ada & Izzy
Puffins: Harriet & Terezka
Woodpeckers: George & Noah

Falcons: Harry & Freya

Doves: Imogen
Owls: Mariam B
Penguins: Jing-Ran
Puffins: Cole
Woodpeckers: Rose
Swans: Casey
Kestrels: Kitty
Falcons: Milisha

Science Workshops

On Tuesday, thanks to the generosity of the Friends, children in Years 1 to 6 enjoyed working with West-End in Schools. Kat brought saving the planet to life through PowerPoint presentations and drama, with all the children exploring one aspect of saving the planet. The children looked at bees, deforestation & melting of the polar icecaps to name but a few. At the end of the day all the children shared what they had learnt with one another, pledging to work individually and corporately to do their bit to save the planet! A good day was had by all.
